What are the strengths of the instructor?

Jennifer Mintzer is an excellent teacher because she is able to explain topics with such clarity. She has a way of engaging the class at all times, for she shares strong opinions and points to support her teachings, as well as great visuals. Ms. Mintzer is constantly asking for opinions which allows the class to stay involved. It is all very structured and extremely professional. She also carries a nice atmosphere that allows one to respect her.

~~How can the instructor improve the course and/or her or his teaching?~~

I think Jennifer has nothing to improve, it seems that everything is perfectly structured. Even her website is extremely helpful with our class. She is doing an amazing job!
