What are the strengths of the instructor?

I think that Jen's strengths would have to be the ability to understand where her class is coming from. She gives us more than enough time to complete assignments.

How can the instructor improve the course and/or her or his teaching?

Everything is satisfactory

She is a very organized person. She gives us all the handouts in advance, she covers details for assignments, and explains to us how we have to do the assignments.

She worries about new vocabulary in the course and gives us tips to write well.

How can the instructor improve the course and/or her or his teaching?

She is doing fine.
