What are the strengths of the instructor?

Jennifer MINTZER is a very precise professor
 She lets you know how she wants an assignment
 and when it is due. She motivates a person to
 "think outside the box", broaden ones' way of
 thinking and to explore new things/ideas.

How can the instructor improve the course and/or her or his
 teaching?

I think that she should give the class a group
 assignment to see how people portray art as a
 group. Also, as a class we should take trips to the
 local art museums+galleries to view various art work
 and then write reflections of the work view. This
 way we can see how we view art and how it
 compared to what the artist was trying to
 portray. (expensed fund by PMC)

Please offer your comments on the questions below

What are the strengths of the instructor?

Jennifer Mintzer is an excellent teacher because she is able to explain topics with such clarity. She has a way of engaging the class at all times, for she shares strong opinions and points to support her teachings, as well as great visuals. Ms. Mintzer is constantly asking for opinions which allows the class to stay involved. It is all very structured and extremely professional. She also carries a nice atmosphere that allows one to respect her.

How can the instructor improve the course and/or her or his teaching?

I think Jennifer has nothing to improve, it seems that everything is perfectly structured. Even her website is extremely helpful with our class. She is doing an amazing job!
