

Certificate of Achievement

JENNIFER MINTZER

has successfully completed an American Sailing Association Basic Keelboat Sailing Course which has been approved by the U. S. Coast Guard as a Safe Boating Course. Please bestow upon him/her all rights and responsibilities that persons with this level of training are customarily granted.

ASA Technical Director

On this 23rd day of Sept, 2013

This certificate is to be used for the purpose of documenting completion of an approved basic keelboat sailing course only. All other American Sailing Association certifications are displayed in the Official Certification Log Book.
